Dear COCFA Member:

This is to notify you that the College of the Canyons Faculty Association (COCFA) will be transferring no more than \$6 per month per member from our regular dues collection into our College of the Canyons Political Action Committee (COCFA PAC) Fund, as authorized by the Association Bylaws, starting on or about October 1, 2017.

These funds are used to support pro-public education candidates and issues in non-partisan elections at the district and county level. None of these funds may be used in state or national partisan elections. This is a very important part of our overall mission to protect the interests of our members and to ensure a supportive environment for meeting the educational needs of our students and community. Your support of these local political activities is very much needed.

COCFA also supports the right of any of its members to decline to support these activities and to decline to contribute to the COCFA PAC. Should you wish to decline participation, none of your local dues will be transferred into the PAC account. All of your local dues will remain in the Association general account to be used for non-political purposes.

**Any member declining participation must complete the form below and return it to the Association treasurer Rebecca Eikey (email [info@cocfaculty.org](mailto:info@cocfaculty.org) ) no later than 12:00 noon on October 15, 2021.** If a form is not received by that time, the Association will understand that it has full permission to transfer the above amount into the PAC account for the 2021-2022 fiscal year. Nothing shall prevent the Association from choosing to contribute the entire annual contribution at the beginning of the fiscal year if authorized to do so by the Association Representative Council.

If you have any questions, please do not hesitate to contact us. We look forward to an excellent year for all our members and students. With your help, we can work together to make it happen.

Thank you in advance for your support of the COCFA PAC Fund!

Sincerely,

Nicole Faudree  
President, COCFA
